Dear Applicant:

Please note **May 15, 2019** is the deadline for receipt of all materials related to your application for the John H. Lyons, Sr. Scholarship. Please read the instructions carefully.

It is your responsibility to be sure the application, including the Secondary School Report and all required documents are completed and emailed to jlhtranscripts@iwintl.org prior to the May 15th deadline.

As a part of the application procedure, students in the United States must provide college aptitude test scores from one of the two major aptitude testing programs, either the SAT of the College Entrance Examination Board or the ACT of the American College Testing Program. If you have taken one or more of these tests, the Committee will give you the benefit of your higher score. If you participated in the SAT, you may have your scores forwarded by logging on to www.collegeboard.com and following the prompts given. You will need to enter the school code of 0554. If you participated in the ACT, you may have your scores forwarded by logging on to www.ACTStudent.org and following the prompts on the link at the top of the page. You will need to click on scores and scroll down to have your scores sent. The school code for the ACT is 0661. If these scores are part of your high school record and will be forwarded with your transcript by the office of your principal, academic adviser or guidance counselor, this will satisfy this requirement. However, if these test scores are not included on your transcript, it is your responsibility to provide a clear, legible copy or have them sent by the appropriate testing service. No application of students in the United States will be considered without SAT or ACT scores.

We are aware that Canadian applicants do not have nationwide access to SAT or ACT testing. Therefore, Canadian students, only, are exempt from this requirement and judging guidelines will be appropriately scored without penalty in this area.

With best wishes to each of you for continued academic success, I am

Very truly yours,

A handwritten signature in cursive script that reads 'Eric Dean'.
